[Redacted]
We are elated that Frank Carlucci will be able to speak to the San Francisco Porcupine Club on Thursday, September 7th.

? I understand that Mr. Carlucci will be arriving on September 6th and staying at Cap Weinberger's home.

✓ The luncheon will be held at the Bohemian Club at 624 Taylor Street in San Francisco. It starts at 12:00 noon on September 7th and we will conclude by 2:00 p.m.

✓ Inasmuch as this is the first meeting of the club, a few words will be forthcoming about the organization and then Mr. Carlucci will be introduced by Mr. Weinberger.

✓ This is a closed-door meeting and we would therefore hope that Mr. Carlucci would be able to speak with some candor as to the operations of the CIA and very possibly the problems that have been caused by an over-expression of the CIA's operation through the press.

✓ Since the membership of this club is small (48 executives of major companies) perhaps Mr. Carlucci's comments can be more frank than he would normally use in speaking to a large and open group.

The Porcupine Club is patterned after a similar group in Denver. Doug Poole, President of Roos/Atkins, was a member of that organization and when he moved to San Francisco he suggested a similar organization.

Page Two

The Porcupine Club meets for two hour, closed-door sessions to hear speakers every other month.

It will be our objective to bring in national leaders who will speak on timely subjects. We depend upon the members of the club to attract these speakers through business acquaintances.

If I can provide you with additional details prior to Mr. Carlucci's visit, please feel free to contact me at any time.

Very sincerely,
